

UNITED STATES GOVERNMENT
National Labor Relations Board

Memorandum

Date: March 22, 1995

To : All Regional Directors, Officers-in-Charge, Resident Officers

From : Fred Feinstein
General Counsel

Subject: 60th Anniversary

As you know, there are two 60th Anniversary activities planned for Washington this year, one in May and one in October. In addition to those activities, some Regions are planning their own local programs and the Board and I encourage your efforts to celebrate this event.

It is important that we use these occasions to commemorate the people and the events that have made this the great organization that it is. For that reason, we want to collect as many pictures and other memorabilia of our first 60 years as possible and to use them in 60th Anniversary programs and events. We ask you therefore to send us pictures of Agency events and other memorabilia that you believe would be used for these programs.

Please send this material to your Assistant General Counsel. In addition, please give us any ideas you may have about other ways that we can celebrate 60 years of achievement.
